EXPLORING... Community Involvement

EXPLORING Community Involvement

BETHEL CHURCH is more than a building on Hwy 7 in Acton. . . it's a community. We seek to put the words of Bethel's mission statement into action. "*Shining Light. . . Showing Love*" calls us to extend arms of love and support to the community of Acton and the world around us.

As a church, we enjoy a special connection with the MacKenzie Smith Bennett School which is literally across the field from us. It's been wonderful to connect through the **Breakfast Club** which is offered at the school every Tuesday and Thursday mornings from approximately 8:00 a.m. until 9:30 a.m. There is a job for everyone from preparing food on the breakfast mornings as well as on special bake days. There are also serving and clean-up opportunities. It's been awesome to develop relationships with the kids, and the staff from teachers to janitors! You can sign on for every week or once a month. . . whatever fits your schedule.

As a church, we keep our ears open for other opportunities of service. Once a year, we bless the staff with an **MSB Appreciation Lunch** at the end of the school year.

Another wonderful opportunity to serve is through **Food for Life**. Every Thursday from approximately 12:00 noon to 1:00 p.m., we sort food items for needy families in our community. Hands are required to help unload the trucks as well as sorting.

This ministry helps us to fulfill what Jesus calls us to do in His name. As we do the work for others, it's as though we do it unto Him. (Matthew 25: 35-46)

Through **Bethel's Deacons**, there is one Saturday morning reserved each spring and fall in order to make ourselves available to families within the community that need a hand with window cleaning, raking etc. In small teams, we are sent to various homes. Not only is it a fun way to connect with others but an incredible way of serving and helping others.

As a church, we continue to seek out opportunities of service. If you are interested in participating in these ministry opportunities or have an idea that you would like to share, please connect with Diane, outreach coordinator by email at outreach@actoncrc.com or call (519) 853-2121.
